A Fact About Gold Investment in Dubai

Dubai: The World's Gold Hub
A Foundational Fact

Fact: **Over 20% of the world's physical gold trade** flows through Dubai, making it the most significant center for gold and precious metals.

This massive volume provides MAQ Investments clients with unparalleled liquidity, transparent pricing, and robust regulatory oversight—the critical guarantees for secure, reliable gold-backed wealth growth.

Our Leadership

The Assurance of Governance

Trust is the bedrock of strategic investment. MAQ Investments LLC operates under the distinguished leadership of **Mr. Mohammad Khalifa Zaan AlQamzi** (Managing Director & Head of Strategic Investments).

His vision dictates adherence to the highest standards of corporate governance, unwavering transparency, and strict asset-backed financial ethics. Your wealth is managed with integrity and security from the very top.

Our Commitment to Your Future

We are dedicated to creating sustainable, secure, and transparent investment pathways rooted in the enduring value of tangible assets.

Our Vision

To be the UAE's leading, most trusted name in gold-backed wealth and tangible asset investment.

Our Mission

To channel the unparalleled, long-term security of gold into prosperity and enduring value for our clients.

Economic Stability & Sovereign Security

In a world of fluctuating markets, stability is the most valuable asset. Dubai, recognized globally as a strategic gateway and financial hub, provides that certainty. It is the perfect ecosystem for MAQ Investments to deliver growth, underpinned by security.

A Financial Safe Haven

Dubai offers a robust, internationally compliant legal system and banking sector. It attracts significant inflows of private capital seeking security amid global uncertainty.

Tax Efficiency

Our clients benefit from a highly competitive tax environment, featuring zero personal income tax and favorable corporate tax structures that maximize returns and ensure capital preservation.

Gold-Backed Opportunity: The Unshakeable Asset

Gold is not merely an investment; it is the ultimate measure of wealth security time tested, globally accepted, and finite. MAQ Investments specializes in strategic, gold-backed ventures, offering clients a distinctive advantage: the opportunity to generate strategic growth, anchored by the time-tested Security of Gold.

Ease of Trade & Storage:

The presence of specialized free zones offers tax exemptions on investment-grade gold, making the acquisition, secure storage, and re-export of precious metals highly efficient and cost-effective for our investors.

Your Advantage: The Gateway to Secure Wealth

MAQ Investments LLC is a Dubai Mainland-registered investment company specializing in strategic, gold-backed investment ventures. The company focuses on creating sustainable and secure wealth growth opportunities through partnerships in precious metals, mining logistics, with an emphasis on physical gold trading in collaboration with Aurum Royal Gold LLC.

By integrating our strategic investment philosophy with Dubai's unique commercial and financial infrastructure, **MAQ Investments LLC** offers clients a **distinctive advantage**: the opportunity to generate Strategic Growth from a dynamic, tax-efficient market, anchored by the time-tested Security of Gold.

Our Services

10

Securing Your Financial Future

We provide a complete suite of services designed around asset security and capital growth:

Physical Gold Trading:

Complete Supply Chain Trust: Our partnerships offer investors with direct access to the precious metals supply chain. This translates to enhanced transparency, verification, and confidence in the source and integrity of the gold backing your investment.

Wealth Management & Advisory:

Strategic Asset-Backed Portfolio: We craft bespoke investment portfolios focused on asset-backed security. Our advisory services are designed for long-term growth, focusing on strategies that maximize returns while minimizing risk.

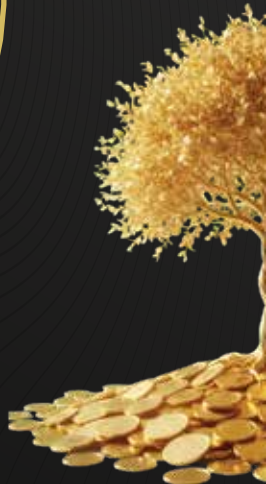

Mining & Logistics Partnerships:

Direct & Tangible Ownership: We facilitate the secure and transparent buying, selling, or trading of investment-grade gold. Clients gain direct ownership of a **tangible, universally-recognized asset**, ensuring unmatched security and liquidity.

The Circle of Your Investment: A Clear Path to Prosperity

Our four-step process is designed for clarity, security,
and a deep, personalized understanding of your wealth goals:

Step 1

Consultation

An initial, comprehensive meeting to fully understand the client's financial goals and security requirements.

Step 4

Reporting & Review

Ongoing, transparent management and regular communication to ensure your portfolio continually aligns with your long-term strategy for prosperity.

Step 2

Strategy Development

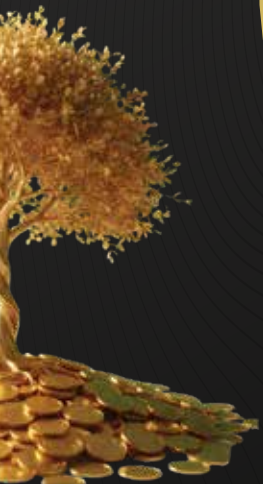

Creating a bespoke, secure investment plan tailored exclusively to your objectives.

Step 3

Execution

Securely acquiring and protecting the tangible assets (gold) that form the foundation of your wealth.
